**Alejandro Taborda Cadavid**  
**Globant**  
**2020**

## Scenario 1 (Crear cuenta):

```
# Author : Alejandro Taborda Cadavid
# Date : 25th of september - 2020
# Company : Globant
```

### Feature: Create an account

As a future user of the espn platform

i want to create an account

so that i can see premium content and receive newsletter information

**Background:** User gets into the website

Given user is in the landing page site

@id=00001

Scenario Outline: Sucesful user creation

When user create the account with the parameters

	firstName	lastName	emailAddress	Password	showPaswordCheck	newsletterCheck
	<firstName>	<lastName>	<emailAddress>	<Password>	<showPaswordCheck>	<newsletterCheck>

Then user should see a 'Welcome <firstName>!' message

Examples:

	firstName	lastName	emailAddress	Password	showPaswordCheck	newsletterCheck
showPaswordCheck	Cody	Obrien	cody.obrien@example.com	secretpassword12	true	true
showPaswordCheck	Bobbie	Butler	bobbie.butler@example.com	bbie.butte	true	false
showPaswordCheck	Serenity	Garza	serenity.garza@example.com	robinson	false	true

@id=00002

Scenario Outline: failed user creation

When user create the account with the parameters

	firstName	lastName	emailAddress	Password	showPaswordCheck	newsletterCheck
	<firstName>	<lastName>	<emailAddress>	<Password>	<showPaswordCheck>	<newsletterCheck>

Then user should see a 'Please enter your' message

Examples:

	firstName	lastName	emailAddress	Password	showPaswordCheck	newsletterCheck

@id=00003

Scenario Outline: failed user creation with an already taken mail adress

When user create the account with the parameters

	firstName	lastName	emailAddress	Password	showPaswordCheck	newsletterCheck
	<firstName>	<lastName>	<emailAddress>	<Password>	<showPaswordCheck>	<newsletterCheck>

Then user should see an already taken mail adress message

```

Examples:
| firstName | lastName | emailAddress | Password | showPaswordCheck |
newsletterCheck |
| Angel | Murray | hello@gmail.com | wrestler | false | false
|

```

## Scenario 2(Iniciar Sesión):

```

# Author : Alejandro Taborda Cadavid
# Date : 25th of september - 2020
# Company : Globant

```
